Greeting from **HASEGAWA – Surely –** to the Refrigeration Market in Thailand.

June 2012

Today we are pleased to announce the establishment of a new company, “SURELY ADVANCE Co., Ltd.”, in order to enhance our business activity in Thai Market, improving services, and offering Advanced Refrigeration Systems. The new company has all what Siam Surely Refrigeration Co., Ltd. (= S.S.R.C.), HASEGAWA’s sole agent in Thailand, is currently providing to the market.

For over 60 years, we, HASEGAWA Refrigeration, Ltd., have been contributing for the development of the Industrial Refrigeration in this country, supplying “surely” refrigeration compressors, equipments and total systems. “Surely” brand compressors are now widely used and acknowledged in Thailand through the effort of Thai Surely Co., Ltd., our subsidiary established in April 1959, and Siam Surely Refrigeration Co., Ltd. founded in 1980’s by its core members taking over the market and users. SURELY ADVANCE Co., Ltd. is going to take the operation of S.S.R.C., which will be closed in October this year.

In Thailand, we have been supplying over thousand of “Surely” Compressors and number of Industrial Refrigeration Plants. In order to satisfy the existing, as well as the new clients, our re-organized team is going to supply high quality engineering services.

The operation of the new company will commence in early July. Your kind and unchanged support will be highly appreciated.

Sincerely,

Seiji Hasegawa
President, CEO
